Sir:

In view of the following Remarks, reconsideration of the rejections set forth in the Office Action of February 28, 2007 is respectfully requested.

In the outstanding Office Action, the Examiner noted that the pending claims were amended in the responses filed October 31 and November 29, 2006. However, the Examiner asserted that those amendments, and particularly the amendments to independent claim 19, failed to comply with the enablement requirement. Thus, the Examiner rejected all of pending claims 19, 21-32, and 34-37 under 35 USC 112, first paragraph. For the reasons set forth below, however, it is submitted that the original disclosure fully enables pending claims 19, 21-32, and 34-37, and so these new rejections are respectfully traversed.
